Rund eine Million Euro Schaden 170 Feuerwehrleute löschen Brand in Bippen

170 Feuerwehrleute waren bis Freitagnachmittag in Bippen im Löscheinsatz, um die brennende Halle eines Sägewerks zu löschen. Fotos: NWM

Bei einem Feuer in der Trocknungshalle eines Sägewerks in Bippen in der Samtgemeinde Fürstenau ist in der Nacht zu Freitag ein Schaden von vermutlich rund einer Million Euro entstanden. Menschen wurden nach Angaben der Polizei nicht verletzt. Zur Brandursache konnte der Einsatzleiter der Feuerwehr Bippen, Wilfried Peters, auch am Freitagnachmittag noch keine Angaben machen.

Die Schadenshöhe könnte nach ersten Schätzungen rund eine Million Euro betragen: Nicht nur die komplette etwa 1800 Quadratmeter große Holzlagerhalle sei durch das Feuer vernichtet worden, sagte Peters, sondern auch ein in der Halle abgestellter Lastwagen, ein Gabelstapler und ein Bagger sowie dort gelagertes Holz und Häckselgut.

Insgesamt rund 170 Feuerwehrleute aus neun örtlichen Wehren waren bis in den Nachmittag hinein in dem Bippener Sägewerk im Löscheinsatz. Gefährliche Schadstoffe traten nach Angaben der Feuerwehr nicht aus, jedoch wurde vorsorglich ein Warnhinweis ausgegeben. Die Ermittlungen zur Brandursache dauern an, der Brandort ist nach Angaben der Polizei in Osnabrück beschlagnahmt worden.

Leicht verletzt wurde die 75-jährige Autofahrerin aus Bippen, die den Unfall verursachte.

Jesc Grafeld. In Grafeld sind am Mittwochmittag zwei Autos zusammengestoßen. Beide Fahrerinnen sind dabei nur leicht verletzt worden.

Der Verkehrsunfall ereignete sich gegen 12 Uhr auf der Brockhauser Straße in Grafeld. Eine 75-jährige Autofahrerin aus Bippen missachtete nach ersten Erkenntnissen mit ihrem VW Polo die Vorfahrt einer von rechts kommenden Grafelderin. Diese lenkte einen VW Caddy. Es kam es zum Zusammenstoß, in dessen Folge der VW Polo auf sein Dach geschleudert wurde. Feuerwehrleute befreiten die Bippenerin und übergaben sie dem Rettungsdienst. Sie erlitt wie die Frau aus Grafeld leichte Verletzungen. Beide wurden mit zwei Rettungswagen ins Ankumer Krankenhaus gebracht.

Die Feuerwehren aus Grafeld, Berge und Fürstenau reinigten die Unfallstelle. An beiden Fahrzeugen entstand Totalschaden, der sich nach Schätzungen der Polizei Bersenbrück auf insgesamt etwa 11500 Euro summiert.

Gebäudebrand im Bippener Ortsteil Ohrte

4 Feuerwehren mehrere Stunden im Einsatz

Bippen/Ohrte:

Zu einem gemeldetem Dachstuhlbrand im Bippener Ortsteil Ohrte wurden am Mittwochnachmittag um 16:59 Uhr die Feuerwehren aus Bippen, Grafeld, Ohrtermersch/Ohrte sowie die Drehleitereinheit der Feuerwehr Ankum alarmiert. Der Schlauchwagen 2000 der Feuerwehr Berge wurde kurz darauf ebenfalls alarmiert. Als die ersten Einsatzkräfte die Einsatzstelle am Schafsdrift erreichten, brannten mehrere Räume des ca. 30 x 10 Meter großen Gebäudes teilweise in Vollbrand. Das Feuer hatte sich zum Teil auf den Dachstuhl ausgebreitet und eine Durchzündung der heißen Rauchgase im Dachstuhl stand kurz bevor.

Während mit mehreren Rohren das Feuer im Erdgeschoß bekämpft wurde, wurde aus dem Korb der Drehleiter heraus eine große Rauchabzugsöffnung im Dach geschaffen. Dadurch konnte erfolgreich eine Durchzündung der Rauchgase verhindert werden. Mit dem Wenderohr der Drehleiter wurde das Feuer im Dachstuhl bekämpft und eine Ausbreitung auf den gesamten Dachstuhl erfolgreich verhindert. Um ausreichend Löschwasser vorhalten zu können, wurde ein mehrere hundert Meter entfernter Unterflurhydrant angezapft. Beim Verlegen der Schlauchleitung vom Hydranten zum Einsatzobjekt kam auch der erst kürzlich in Dienst gestellte SW 2000 der Feuerwehr Berge zum Einsatz.

Da zunächst unklar war, ob sich zur Zeit des Brandausbruchs noch Personen im Gebäude

aufgehalten hatten, wurde von der Feuerwehr Ankum ein Trupp unter schwerem Atemschutz mit der Wärmebildkamera von der Gebäuderückseite her in das Brandobjekt geschickt, um mögliche Personen ausfindig zu machen. Zum Glück traf während der Suchaktion die Besitzerin des Gebäudes ein, diese konnte schnell Entwarnung geben.

Von der Feuerwehr Ankum wurden 2 Trupps unter schwerem Atemschutz gestellt, diese setzten unter anderem die Wärmebildkamera sowie ein Wenderohr ein.
