

## „Breathless“

She is my first love  
Graceful in all her ways  
Folding the hillside  
Turning the sky from night into day  
She won't fail to take my breath away

So soft this silence  
She brings before the dawn  
A time of twilight  
When all the world waits to be reborn

Nobody knows her name  
No one knows how she came to be here at all  
Giving her loving  
Hoping to everyone

Old as the hills  
Young just like the rising sun over fields  
That lie away beneath her feet  
Ev'ry time we meet  
She takes my breath away
