

## „Lady Fantasy“

[Part I - Encounter]

Listen very carefully, my words are about to unfold  
Concerning a lady I've seen but I never could hold  
I can see by your smile  
Take a long while  
The words that come through  
I see that they're true  
For she reminds me of you

Don't misunderstand me, it's not always easy to say  
The words in your head and your heart that you just can't explain  
I can see clearly  
A face in the sky  
Moon's in your eye  
You're passing me by  
Tell me the reason why

I can see clearly  
A face in the sky  
Moon's in your eye  
You're passing me by

[Part II - Smiles For You]  
[Instrumental]

[Part III - Lady Fantasy]  
Saw you riding on a moon cloud  
Saw you walking on a whirlpool  
From the corner of my eye  
I saw you
