

„Drafted“

[Verse 1]
In reply to your request
Please find
I hereby protest
To the ways and means you use
You know
I cannot refuse

So I'll take this vow
Of Loyalty
Fight for the right
You have said
To be free

[Guitar solo 1]

[Verse 2]
When this time has run its course
I must
Live without remorse
For the deeds I'm bound to do
I know
It's all the same to you

But I won't forget
The memory
Taking a life
For a life
To be free
