

## „Lawrence“

All across this barren land  
Elder voices tell  
Stories of a desert ghost  
The legend of a man  
Swallowed by the sand

High upon the red dunes  
A prophet in the wind...  
A vision like a mirage  
Rises from a man  
Swallowed by the sand

Fading...  
Into the shadows  
Of the legend  
You became

Fading...  
Into the mystery  
And the romance  
Of your fame
