

## „Cloak And Dagger Man“

Stepping outside  
There's no turning back  
Looking behind  
There's no turning back  
Nowhere to hide—  
Watch out for the man in drag;  
She's got you tagged!

Checking all around  
There's no turning back  
Listen for a sound  
There's no turning back  
Keep your head down—  
Watch out for the go-between!

The cloak and dagger man follows  
Run undercover and trust in no one you know

Watch what you say  
There's no turning back  
Lovers will betray!  
Watch out for the promise of...

The cloak and dagger man follows  
Run undercover and trust in no one you know
