DUST AND DREAMS TOUR

CAMEL feel that without your support, this 20th Anniversary Tour would not take place and we thank you for this opportunity to perform.

We're especially pleased to be able to offer the first and newest Camel CDs. *Dust and Dreams*, our latest release; *Camel*, the very first release; and *Camel on the Road*, our "official" bootleg are on sale at the concession stand, or you may purchase through mail order.

Our mailing list is very important because it is direct contact, so if you're not on our list and would like to be, you can register in the book at the stand or write to us at:

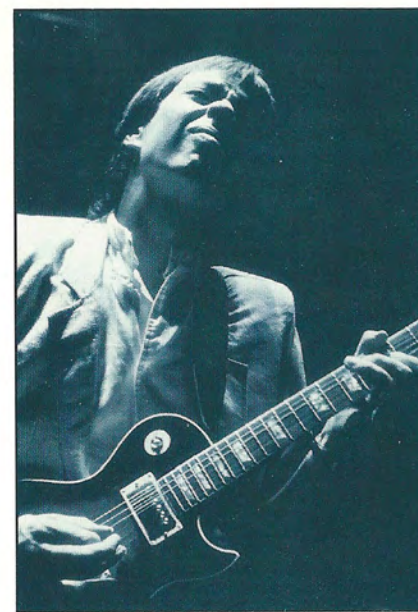

CAMEL Productions  
P.O. Box 4876  
Mountain View, CA 94040 USA

Stay in touch and enjoy the show.  
Thanks to you, we are entirely independent.
